

COMPANY QUALITY POLICY STATEMENT

It is the policy of **Brandwells Construction Co. Ltd** to:

Establish and maintain a Quality Assurance System (QAS) which complies with the requirements of ISO 9001:2008

Monitor the effectiveness of the system annually by Internal Audit and Management Review

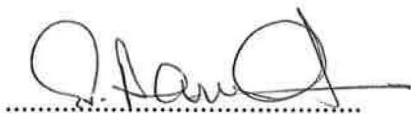

Ensure that all members of staff are aware of the Policy and the QAS as it relates to them

Provide products and services of the highest possible standards to our customers

Satisfy our customers' needs and expectations of quality, safety, reliability and service

Monitor our performance against these criteria and take effective action to deal with any shortcomings.

Signed

Andrew Dowden
